CLAREMORE INDIAN HOSPITAL Claremore, OK **Model Site Diabetes Program**

> **April 9-11, 2002** July 9-11, 2002 September 10-12, 2002

Sponsored by **IHS Clinical Support Center**

TARGETED PARTICIPANTS:

Diabetes workshop sessions are designed for physicians, nurses, pharmacists, dietitians and certified health educators who want to update their knowledge about Type 2 diabetes and enhance their ability to provide diabetes education.

BACKGROUND:

The Claremore Indian Hospital Diabetes Model Site Program was established in 1979. The Diabetes Education program consists of five sessions and has been ADA Recognized since 1989.

PURPOSE:

Create innovative methods of addressing diabetes care and education. The professional workshop provides professionals with an update on Type 2 diabetes and an opportunity to observe clinical and educational approaches to diabetes care and education.

CONTINUING EDUCATION CREDITS:

Physicians: The Indian Health Service (IHS) Clinical Support Center is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The IHS Clinical Support Center designates this continuing education activity for 16.5 hours of Category 1 credit toward the Physician's Recognition Award of the American Medical Association for each session.

Pharmacists: IHS Clinical Support is approved by the American Council on Pharmaceutical Education as a provider of continuing pharmaceutical education. This activity has been awarded 16 hours under Universal Program #600-000-02-L04.

Nurses: IHS is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center Commission on Accreditation and designates this activity has been awarded 19.8 hours.

ENROLLMENT:

Early registration is suggested due to limited enrollment. No registration fees. Please complete the form below and mail at least two months before the next scheduled session. You will receive a confirmation letter.
